- Adventure camp recap- the event went well, it was greatly enjoyed. Ranger is pleased with the condition of the amphitheatre and camp.
- ScoutFest- October 23rd at Cobb Galleria Center. We will be arriving at 8AM to help set up. We will have a Tee-pee, information booth, crafts and will be helping usher. Ideally we'll have 60 Arrowmen, no preregistration is needed, and cost is $8.50 at the door.
- LLD- December 4th, 3 classes are set up, but more are always preferred, especially training cells. At the VSC, cost is expected to be $5 to cover food. Chapter officers are greatly encouraged to come, but all Arrowmen are welcomed.
- SummitCorps- 7 Brothers are signed up so far, cost is $250 + travel, which will be less then $100. We are planning for the 2nd week of July, we need as many members as possible to attend and sign-up early.
- Indian Summer- August 1st-6th, Ashville North Carolina. It will be a week of going over ceremonies, regalia, and service. $325 dollar fee, down payment due soon, so sign up ASAP, contact Jeremy Lore for more information.
- Ordeal reports- Nov. 5-7, registration at camp will be open from 6-9PM, all candidates must be here before 9PM. All ceremony teams need to be ready by 9:15PM. New brother orientation will be finished by 9:30AM Sunday morning. All ceremony teams must coordinate with VCIA for ceremony spot. Each chapter must supply Elangomats. Youth and adult Elangomats are both needed. We will need lots of adults skilled with carpentry tools. We will be constructing beds to go into the new Cub World tents. Ratchet kits will be especially handy. Mark everything you bring with your name!
- Old Business
- none
- New Business
- By-Law Committee is proposed to be created. The committee would look through the Lodge By-Laws to edit them. Their goals would be to edit out parts conflicting with national policy and make the By-Laws much more clear. It is planned to be a long term project, approached slowly. The lodge officers will be greatly involved; all chapters will be asked for input, and a delegate. Each change will be analyzed carefully for impacts. Our By-Laws are rather outside the lines of national, so this must be done to comply with national. Each chapter needs to send the name of their delegate to Scott Conner before the LLD. Any suggestions and ideas are also to be e-mailed to Scott Conner. The first meeting will be at the LLD.
